United Nations Conference on Trade and Development

TRADE AND DEVELOPMENT BOARD
Thirty-ninth session (first part)
United Nations Office of Geneva

MONDAY, 28 SEPTEMBER 1992

807th plenary meeting

Opening of the session

In the absence of the President, H.E. Mr. Thomas Ogada (Kenya), the first part of the thirty-ninth session of the Trade and Development Board was opened by H.E. Mr. Jamtono Rahardjo (Indonesia), Vice-President.

Election of officers [1(a)]

Election of the President

The Board elected, by acclamation, H.E. Mr. Gündüz Aktan (Turkey) as President of the Board at its thirty-ninth session.

The President in his address to the Board reviewed the world economic situation and the prospects for the future. He recalled the Cartagena Commitment which had revitalized UNCTAD. Referring to the human despair in many parts of the world, he said that the necessary technology and means were available to deal with that situation. To turn chaos into order there was a need for new rules, new values and new ideas.

Election of the Rapporteur

The Board elected H.E. Mr. B. Prasad Lacoul (Nepal) as Rapporteur at its thirty-ninth session.

Election of Vice-Presidents

The Board elected the following ten Vice-Presidents to serve on the Bureau at its thirty-ninth session: Mr. Morris B. Abram (United States); Mr. Abdeljabbar Brahime (Morocco); Mr. G.V. Gabounia (Russian Federation); Mr. Akio Ijuin (Japan); Mr. Marian Malecki (Poland); Mr. Carlos Matute Arias (Honduras): Mr. Martin Morland (United Kindgom); Mr. Gian Nath (Mauritius); Mr. Ri Tcheul (People's Democratic Republic of Korea); and Mr. Jorge Soruco (Bolivia)

Adoption of the agenda and organization of the work of the session [1 (b)]

Agenda

The Board's attention was drawn to two additions to the provisional agenda: a sub-item entitled "Report of the Working Party on the Medium-term Plan and the Programme Budget on its twenty-first session (31 August - 8 September 1992)" had been added under item 11 (Other matters requiring action by the Board arising from or related to reports and activities of its subsidiary and other bodies); and, by decision of the pre-sessional executive session of the Board, a new agenda item entitled "Board decision 398 (XXXVIII): Establishment of an ad hoc working group to explore the issue of structural adjustment for the transition to disarmament" had been included as item 13. Consequently, the present items 13 and 14 had been renumbered 14 and 15, respectively.

Having noted the above amendments, the Board adopted the provisional agenda for the first part of its thirty-ninth session in TD/B/39(1)/1. The agenda as adopted was subsequently circulated in TD/B/39(1)/9.

Organization of work

The Board's attention was drawn to the proposals for the organization of the work of the session [TD/B/39(1)/Add.1], by which it would establish two sessional committees. Sessional Committee I would consider and report on item 4 (Paths to development: performance and reform of public enterprises; and item 6 (Trade policies, structural adjustment and economic reform: issues relating to national transparent mechanisms in the context of the fight against protectionism). Sessional Committee II would consider and report on item 8 (UNCTAD's contribution to the implementation of the United Nations New Agenda for the Development of Africa in the 1990s); and item 9 (Report of the Secretary-General on assistance to the Palestinian people in the light of the Cartagena decision). During the second week of the session, Sessional Committee II would convert itself into a Special Sessional Committee to consider and report on item 7 (Review of progress in the implementation of the Programme of Action for the Least Developed Countries for the 1990s). It was understood that Sessional Committee II and the Special Sessional Committee would have the same office-bearers.

Provision had been made for informal discussions on items 3, 4, 5, 6 and 7 to which eminent personalities had been invited, in order to enrich the discussions.

In accordance with past practice, the Chairmen of the Sessional Committees, as well as Regional Co-ordinators, would be fully associated with the work of the Bureau.

Having noted the above, the Board approved the proposals for the organization of work of the session as contained in TD/B/39(1)/Add.1.

Membership of the Trade and Development Board

The President drew attention to the fact that the item on Membership of the Trade and Development Board had been referred to the pre-sessional executive session, when action had been taken on two applications (the Republics of Armenia and Equatorial Guinea). In the interim, a further application had been received - from the Republic of Georgia.

The Board admitted the Republic of Georgia to membership of the Trade and Development Board, bringing the Board's membership to 135.

The President drew attention to a Note by the Secretary-General of the United Nations (A/47/INF.1) containing the most recent decisions and recommendations of the General Assembly on control and limitation of documentation.

The President also recalled that in the month of July 1992, the Secretary-General of UNCTAD had addressed communications to all States members of UNCTAD, inviting them to record their wishes regarding membership of the new Standing Committees and Ad hoc Working Groups established by the Conference at its eighth session, and informed the Board that those replies received by 25 September 1992 were reflected in TD/B/39/(1)/CPR.4. Replies received after that date and during the session would be appropriately reflected in addenda to that document.

Election of Chairmen of Sessional Committees

The two sessional committees held consecutive meetings for the purpose of electing their Chairmen.

SESSIONAL COMMITTEE I

H.E. Mr. Hugo Cubillos (Chile) was elected Chairman.

SESSIONAL COMMITTEE II AND SPECIAL SESSIONAL COMMITTEE

Mme Taous Feroukhi (Algeria) was elected Chairman.

808th plenary meeting
